Imagery

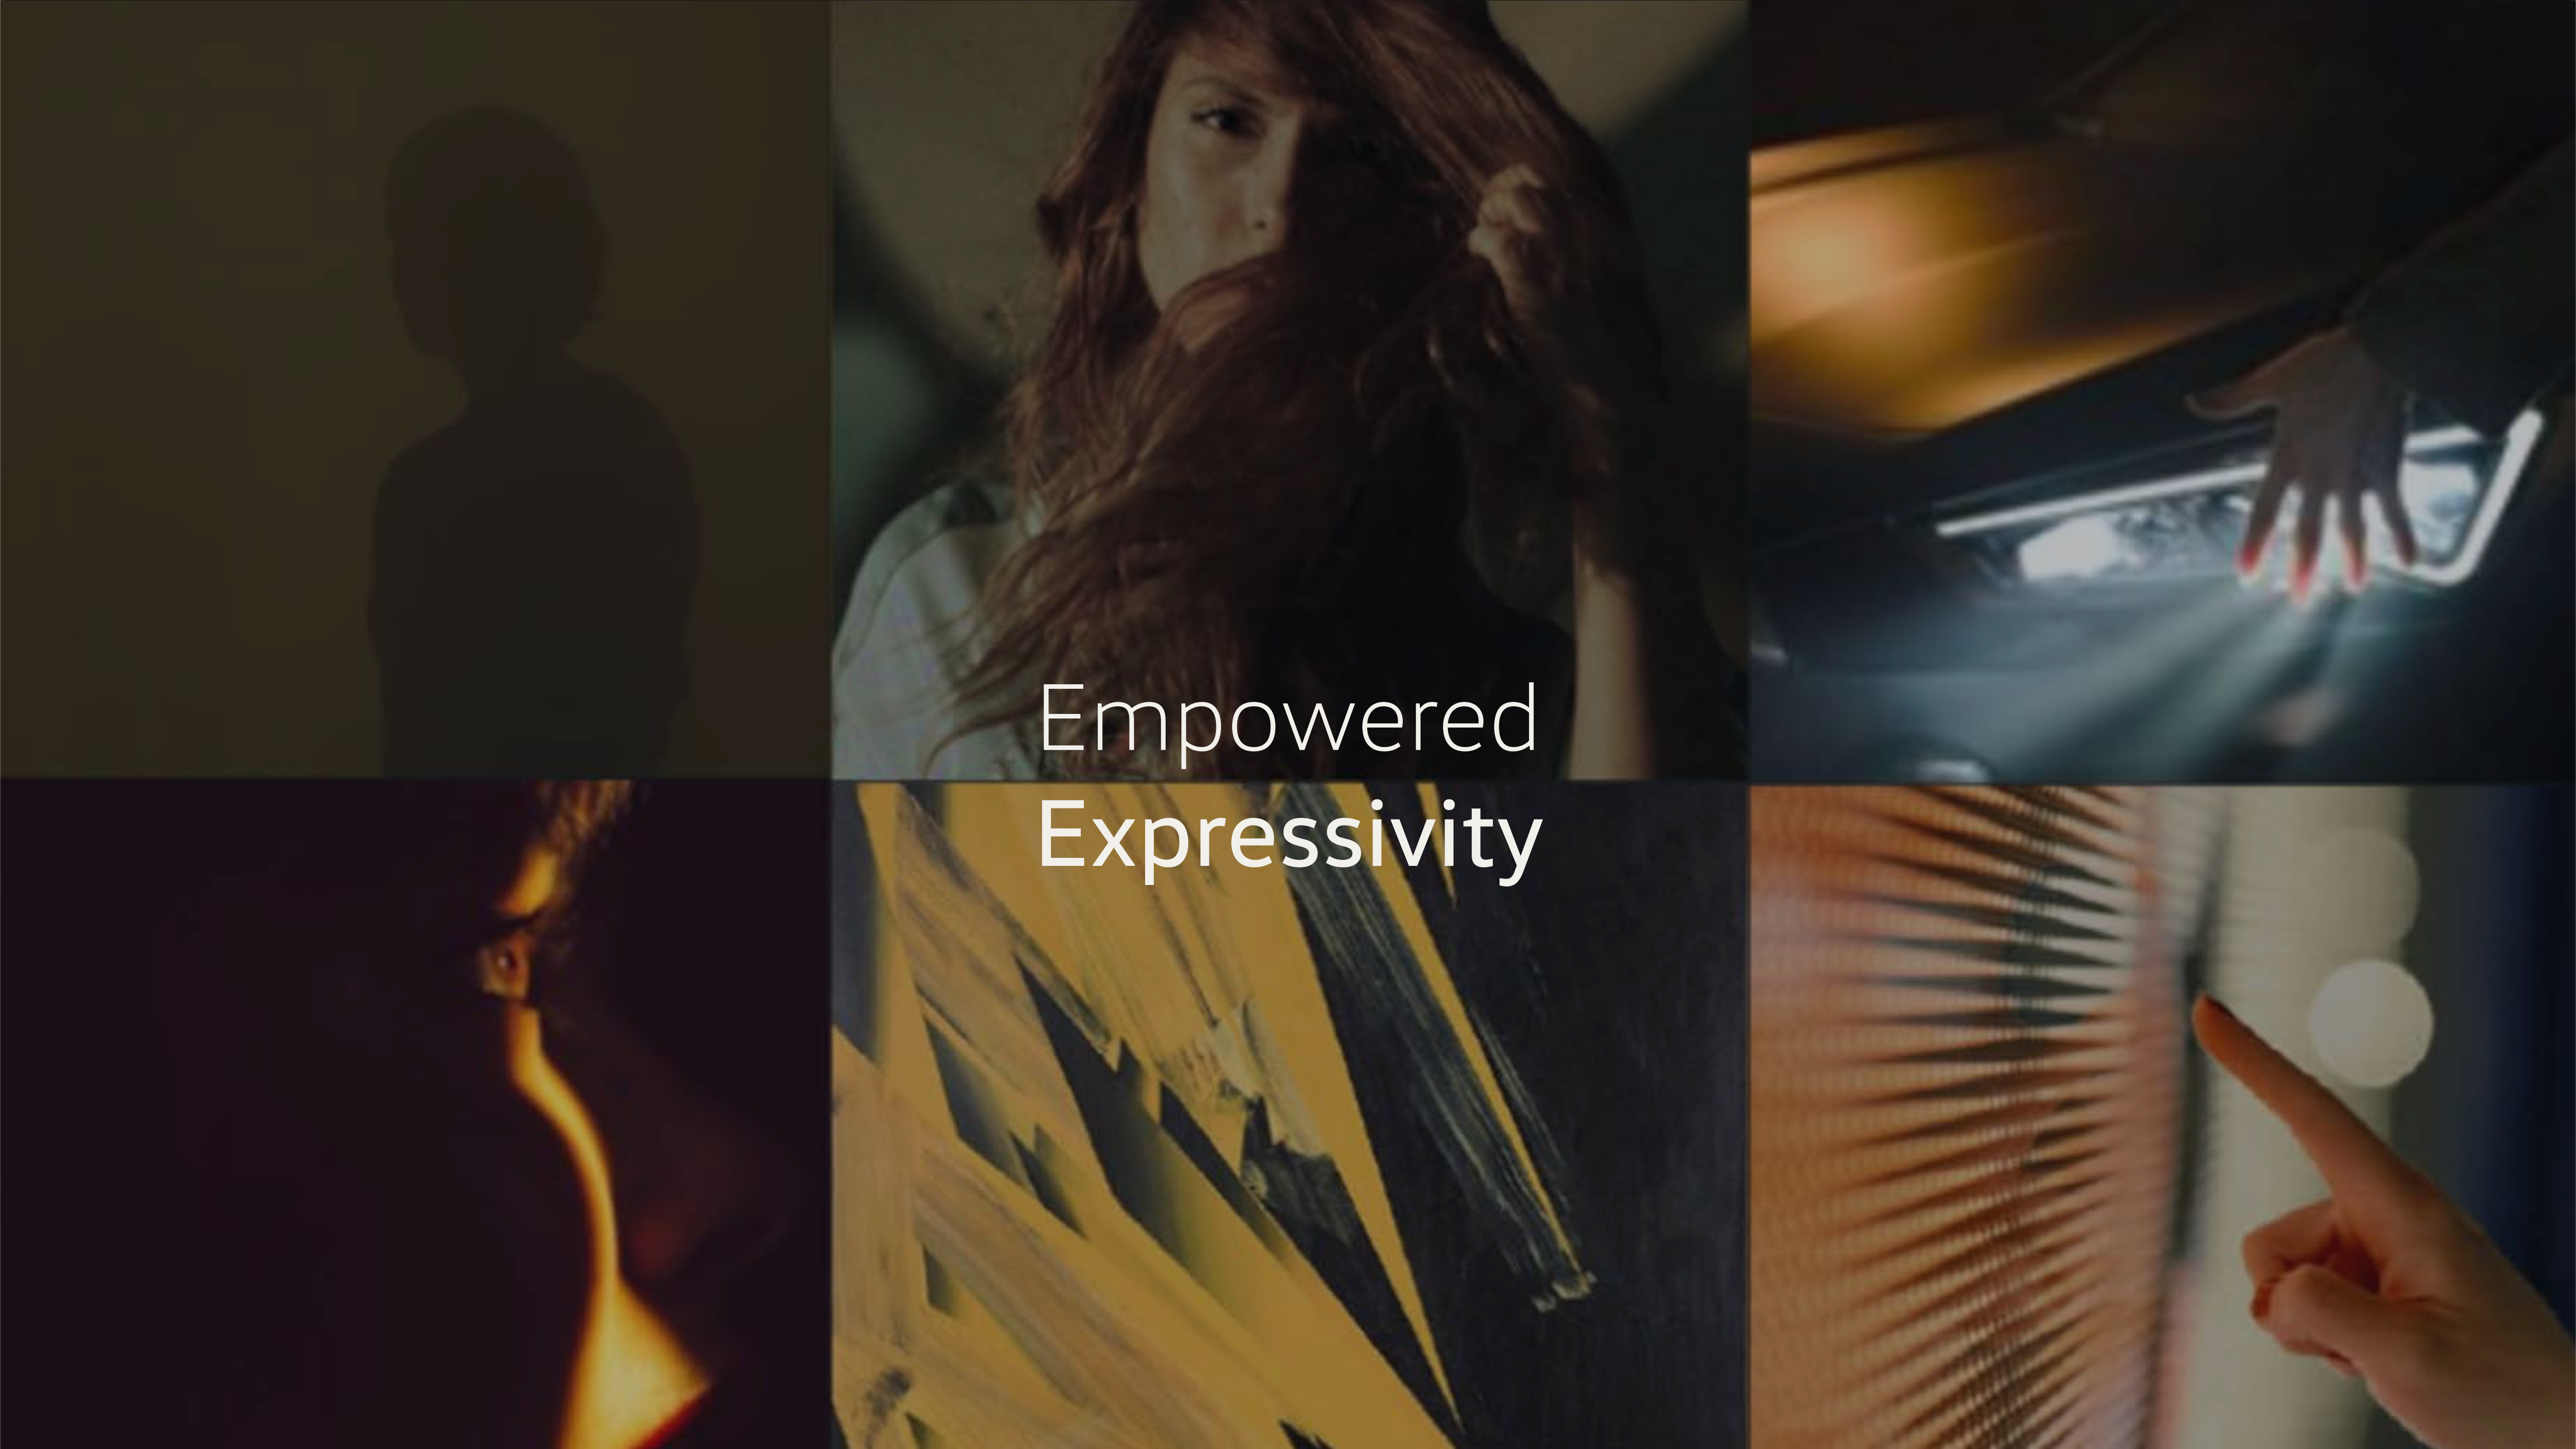

Colors

A person with short, dark hair is shown in profile, looking out of the open rear window of a car. The scene is set during sunset or sunrise, with a warm, golden light illuminating the sky and the person's face. The person is wearing a dark, possibly black, jacket. The background shows a vast, flat landscape under a hazy, orange sky.

Midnight Yellow

features a signature color
empowering the category with
unique and expressive warmth.

*Please do not use "gold" to describe Midnight Yellow.

Empowered
Expressivity

Midnight Yellow

Distinction. Empowerment. Expressivity.

Introduction

The “Midnight Yellow” key color suggests warm light against the cooler urban tone of “Midnight Grey” and the “Zero” off-black.

These 3 colors communicate maximum distinction and the expressive essence of the new category.
